Why the workshop designer in me visits Brazil ?

because I have Q-1 , Q-2 and Q-3, and Silvanio has invited me to pose them with you, thanks Silvanio!

Por que a designer de workshops que existe em mim visita o Brasil?

Porque eu tenho Q-1, Q-2 e Q-3,e Silvanio me convidou para posá-las com vocês, obrigado Silvanio!

Q-1
Can I extend the workshop German context to a Brazilian-German context? if yes, how ?

In German context Fig.1 shows the workshops as coworking spaces to research and experiment Expressive-Art (EA) composition. The coworking for EA composition is limited to discuss how to assess and approach socio-cultural or socio-technical issues of repressions/oppressions that face workshop designers (i.e., teachers or pedagogues) in German context. for concrete issues of repressions/expressions and their target-groups see my contributions in [M25a, M25b, M24, MWW23,MW22a, MW22b] .

The Limits of coworking in German context are:

- AT Limits
- SD Limits
- TAS Limits

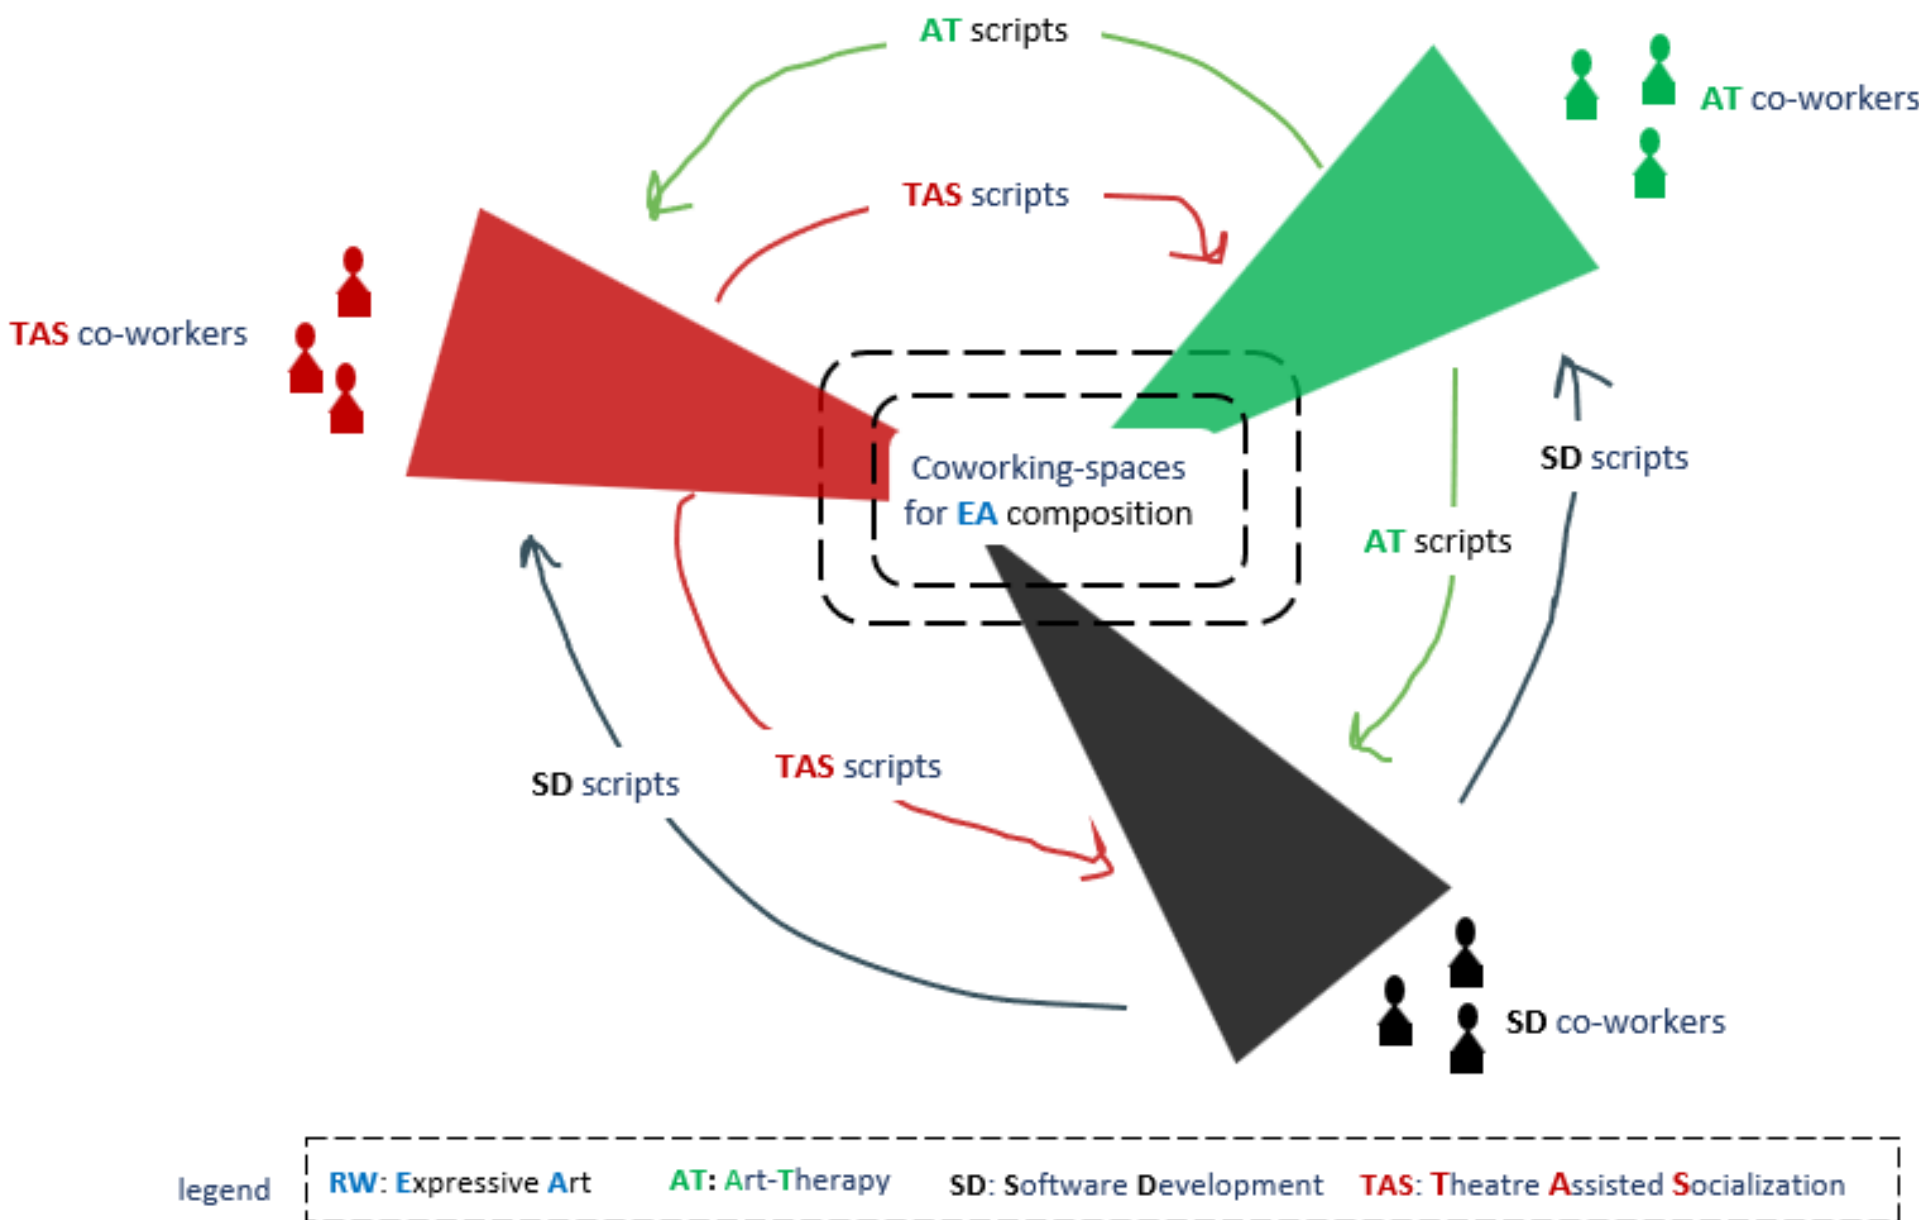

Fig 1. Workshops as coworking spaces to research and experiment EA composition

No contexto alemão, a Figura 1 mostra as workshops como espaços de coworking para pesquisa e experimentação na composição de Arte Expressiva. O encontro de coworking para a composição de EA se limita a discutir como avaliar e abordar questões socioculturais ou sociotécnicas de repressões/opressões enfrentadas por designers de oficinas (ou seja, professores ou pedagogos) no contexto alemão. Para questões concretas de repressões/expressões e seus grupos-alvo, veja minhas contribuições em [M25a, M25b, M24, MWW23,MW22a, MW22b].

Q-2
How Freire's pedagogy of the oppressed as situated pedagogy can be adapted for diverse places, different stakeholders and varying conditions of workshop designers in German-Brazilian context?

Q-2
Como a pedagogia do oprimido de Freire, enquanto pedagogia situada, pode ser adaptada a diversos lugares, diferentes atores e condições variáveis dos criadores de oficinas no contexto germano-brasileiro?

Q-3
can Freire's pedagogy of the oppressed be integrated with Joseph Beuys's art pedagogy to serve workshop designers in German-Brazilian context? if yes how ?

Q-3
Como a pedagogia do oprimido de Freire, enquanto pedagogia situada, pode ser adaptada a diversos lugares, diferentes atores e condições variáveis dos criadores de oficinas no contexto germano-brasileiro?
